A THORN IN THE FLESH

Life is not a bed of roses neither is it a bed of thorns. Life is a mixture of roses and thorns. As beautiful as rose flower is, it has thorns in it, so it is with life. Life is beautiful but it still has some thorns in it. This thorn in the flesh could mean different things to different people. It simply means something in your life you wouldn't have loved to have but it is always there and as such causing you some pains or anxiety. It could be one sickness or the other; it could be looking after a sick or aged parents or relatives; it could be the nature of your job; it could even be the mask you are putting on; it could be the attitude of your wife/husband etc. Like Paul, have you prayed and wished that this thorn be taken away from you? Jesus is saying don't get frustrated, don't be depressed for 'my grace is enough for you: my power is at its best in weakness.' So, notwithstanding the thorns in your flesh bear in mind that God's grace is always with you. His grace helps you to remain humble, His grace gives you the strength to keep on moving with life despite all odds; His grace purifies you for eternal life. I, therefore, encourage you not to give up hope but trust in His grace and be a happy person. I wish you a blessed Sunday!

Ask your MP to vote against abortion up to birth

The abortion lobby, led by the UK's largest abortion provider, BPAS, has worked with Diana Johnson MP to bring forward an amendment to hijack the Police, Crime, Sentencing and Courts Bill to **introduce abortion on demand, for any reason, up to birth** to England and Wales.

This would be the single biggest change to abortion legislation since 1967 and would leave England and Wales with one of the most extreme abortion laws in the world. We are expecting that this radical proposal will be voted on by MPs this Monday.

Right to Life UK has launched an easy-to-use tool that makes it simple for you to send an email to your MP asking them to vote against the motion. Please click the link below to contact your MP now. It only takes 30 seconds!
